Kate,

Try this one, and there is a related document in case you need it too.

Sorry, Bob – I was too vague. I meant the response to comments document that you developed (I've attached the pdf version here), not the appendix itself.

Thanks!

Hi Bob,

Could you possibly send me a Word version of the revisions you made to Appendix H last round? I have a pdf version, but my computer gets very cranky every time I try to save that file as a Word document.

Thanks, and hope all is well with you.
